To the Trade...

In presenting our latest Garden Hose Catalog we desire to state that our various grades have been made up with great thought as to the requirements of the trade, and we feel that they will command the same favorable consideration of the careful buyer as in the past.

Our Defiance and Quaker City Brands represent the highest products of skill in hose manufacture, and in all other grades the quality feature is predominant.

Our line of Reels, Sprinklers, Clamps, Couplings and accessories of all kinds embraces many new and interesting features, and offers a wide range for selection. We also illustrate a few moulded rubber specialties which we are prepared to furnish at lowest market prices.

We will appreciate your orders, giving them prompt and careful attention.

Rubber Garden Hose.

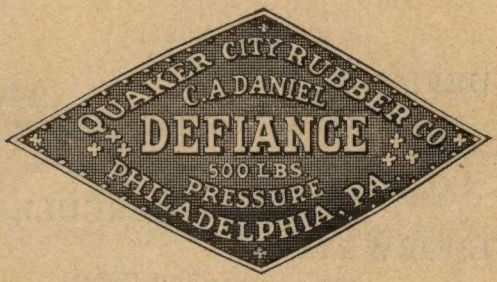
DEFIANCE BRAND.



Guaranteed to withstand a water pressure of 500 lbs.

Made with seamless tube and seven plies of special fine closely woven duck, held together by a high grade of rubber (friction), the combination insuring great resisting strength and durability.

This hose is especially adapted to stand continued and hard usage, and in localities having a heavy water pressure it will excel any hose we know of in length of service.

Made in sizes ½-inch, ¾-inch and 1 inch, all seven-ply.

Rubber Garden Hose.

QUAKER CITY BRAND.

Unexcelled as a Garden and Lawn Hose.

The best hose that can be made from pure Para rubber and best cotton duck. Though necessarily higher in price than ordinary grades, its great lasting qualities make it the cheapest in the end.

CROWN BRAND.

Our Crown Hose we recommend as a high-grade article, second only to Quaker City Brand in quality. It is made from exceedingly fine quality rubber and extra strong cotton duck.

Rubber Garden Hose.

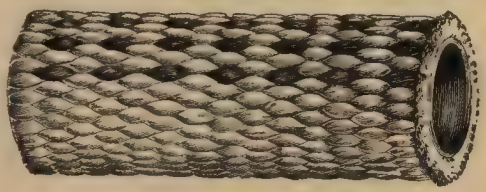
PARA BRAND.

Made on a new plan, with a number of plies of fine sheeting instead of cotton duck, the result being a hose at moderate cost that will stand hard usage and heavy water pressure.

Made in 4, 5 and 6 ply. All same grade.

Cotton Garden Hose

Rubber Lined.



Cotton Hose is carried in stock in 25 and 50 foot sections, coupled. No extra charge for couplings.

We make four grades: **Crown, Hercules, Edgewater, Atlantic.**
